## **ABOUT GENDER EQUALITY**

Gender equality is not only a fundamental human right, but a necessary foundation for a peaceful, prosperous and sustainable world. There has been progress over the last decades, but the world is not on track to achieve gender equality by 2030.

Worldwide, nearly half of married women lack decision-making power over their sexual and reproductive health and rights. 35 per cent of women between 15-49 years of age have experienced physical and/ or sexual intimate partner violence or non-partner sexual violence.

**THERE SHOULD  
BE NO WORD  
LIKE  
"FEMINISM" OR  
"MACHOISM" IN  
THIS WORLD,  
ONLY EQUALISM**

EQUALITY**

**GENDER EQUALITY**

**Sexuality is who you want to be with.  
Gender identity is who you want to be in the world.**

**Gender justice as the full equality and equity between women, men, LGBTQIA+, and non-binary people**

in all spheres of life, resulting in women jointly, and on an equal basis with men, defining and shaping the policies, structures and decisions that affect their lives and society as a whole.
